

CURRENT AFFAIRS

Every Monday morning Kenton's answer to Speaker's Corner can be found in the bar area of the Century Bowls Club. If you enjoy lively discussion on topical subjects then the Current Affairs Group is a must for you. We meet from 10.00 to 12.00 (Bank Holidays excepted) where you can join our friendly gathering and have your say or simply listen. Whether it be the Referendum, the renewal of Trident, the NHS or local issues you can be sure widely divergent opinions will be aired. Alternatively you can simply enjoy a coffee and conversation with friends and colleagues.

For more information on the Current Affairs Group, please telephone: 8907 4779 or email: howard_goldstein@hotmail.com **Howard Goldstein**
