

Discover the remarkable true story of a small town that welcomed the world.

Award-winning MUSICAL, "COME FROM AWAY" tells the heart-warming true story of how a small Canadian town cared for 6,579 airline passengers stranded there on 9/11. When 38 planes were diverted to its doorstep, the town of Gander doubled in size, playing host to an international community of strangers and offering food, shelter and friendship.

As uneasiness turned into trust and music soared into the night, gratitude grew into friendships and their stories became a celebration of hope, humanity and unity.
