

Need Help with your Computer?

The Kenton U3A *Computing & IT Special Interest Group* will be starting on the 12th of September. It will be open to all members and, following on from last year, will be aimed at intermediate level members. A wide range of topics will be covered:

- Getting to know the new operating system Windows10
- Smart phones
- Tablets
- E-mail
- Internet browsers
- Computer Security
- Microsoft Word
- Microsoft Excel

All kind of tips and tricks and some little surprises if we have time.

We will meet on alternate Monday evenings during term time starting at 6pm until 8pm using the one of the computer suites at Claremont High School

Pre-book your places on what could be a very well attended course by phone or email to either:

Course Facilitator/Organiser or
